 - Database entries.
 - Answer general questions and provide directions.
 - Instruct patrons on how to use library systems and services.
 - Cash transactions.
- Stack maintenance.
- Participate in library/information management projects.

Qualifications

- Comfort with using and learning new technology, social media, and digital content creation.
- Must have good time management skills.
- Must be able to work both independently and as part of a team.
- Comfort with writing reports and preparing informational materials.
- Demonstrate a friendly, outgoing, and helpful approach to working with the public.
- Demonstrate exceptional attention to detail.
- Familiarity with basic research methods would be an asset, but training will be provided if successful.

Details

- Variable hours.
- Minimum 1-2 shifts per week.
- Pay will be the minimum wage in effect at the time of employment.
- This position will begin immediately; candidates with fall term availability on Thursdays from 12pm to 3pm and Fridays from 4:30pm to 7:30pm preferred, but not required.
