OUR TEAM. OUR LEGACY.
The Shea Family Locker Room Campaign
The StFX X-Men football program represents a cornerstone of the StFX experience. A source of Xaverian pride, since 1960 the team has won 13 AUS championship banners and one national championship, competing against teams from much bigger universities and better-resourced athletic programs. Never afraid to be the underdog, OUR TEAM has earned respect on the field, getting the job done through grit, determination and heart.

It’s time we deliver that same level of respect off the field.

Many football alumni credit the program for instilling transformational values such as teamwork, resilience and family. The camaraderie and support from one another enabled our players to succeed, both on and off the field.

It’s up to us to ensure the StFX Football program is set up for continued success.
Help us build a locker room that is worthy of the StFX football legacy, a space that will allow us to honour our past and highlight our history. Steeped in tradition, we want to create a space that will acknowledge our supporters and set a powerful tone for future recruits.

It’s our time again.
The locker room within the Oland Centre does not meet the needs of a competitive varsity program. It’s time to fix it. The football facilities are far too small and outdated to meet the team’s needs. In fact, the StFX X-Men football team cannot host a team meeting within their current locker room as the space will not accommodate all players within the same locker room. This affects team spirit and morale, not to mention that it creates practical challenges for both players and coaches.

That’s why StFX is planning major renovations including a new football locker room that’s worthy of our program’s proud legacy.

But we can’t do it without you.

OUR TEAM.  
OUR LEGACY.  

Purchase a locker and put your name on X-Men football. A once-in-a-lifetime opportunity to associate your name with StFX football for years to come.

PLEASE CONSIDER A LEAD GIFT  
To successfully conclude this campaign, we are looking to those who benefitted the most from StFX football — former players — to contribute lead gifts and give back to a program that has given them so much.

RECOGNIZING YOUR CONTRIBUTION — 2 OPTIONS  
A gift of $5,000 will be celebrated with an individual locker named in your honour within the new locker room, recognizing your contribution to StFX University and X-Men football.

Alternatively, consider purchasing a locker with a former teammate for a combined gift of $6,000. Both teammates will be recognized with a shared nameplate on an individual locker.
