

PATHS TO BEING A SOCIOLOGY GRADUATE AT STFX

Does this poem speak to you?

SOCIOLOGICAL EYES

BY KEN PLUMMER

So we are the thinkers who puzzle and ponder.

Social critics with our eyes on the world.

Scientific artists, passionately objective.

Patchwork quilters with an eye for the queer.

Outsiders looking on margins, drowning in hope.

Wounded reformers for a better world to come.

Utopian dreamers disappointedly cheerful.

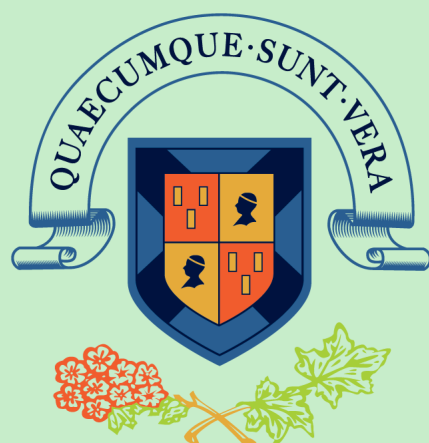

Thwarted radicals angered in worlds of injustice.

Time travellers in cyborged lands.

Critical citizens with an eye for the future.

If it does, you may be ready to COMMIT SOCIOLOGY!
